COONS, SHIRLEY A.

March 15, 1927 - April 25, 2018

Born in Winchester springs, Ontario, a daughter of the late John and Mary (nee Hess) Coons, Shirley was the younger daughter in a family of 9 siblings. She passed away peacefully at Georgian Heights in Owen Sound in her 92nd year.

She was predeceased also by brothers, Herman, Dalton, Fred, Clayton, and Burton and by sisters Mildred Clarke, Evelyn Coleman, and Doris Edgerton. She will be remembered as an Aunt and Great Aunt to many nieces and nephews in the Ottawa Valley and Leeds/Grenville area. She was a loving Mother to her only child, Frankey Sisty, of Clarksburg, ON and was predeceased by her son-in-law, David Hay. She will be recalled as a Grandmother and Great Grandmother to Chad MacDonald-Hay (Crystal) and Faith Melody Lynn.

Shirley spent most of her years in the community of Brockville. She was a factory labourer with Caldwell Linen Mills, General Motors Oshawa, RCA, Black and Decker and retired from Brockville Telecom/Microtel at the age of 63. Shirley was an excellent, albeit vocal, employee who had a natural flair for leadership. She was liked by colleagues and management alike.

As the younger sister, she was a bit of a brat and enjoyed tattling on her siblings, and was known for not keeping secrets. As she aged, she was a very good sister and built a very solid relationship with her last remaining siblings, sisters Doris and Evelyn, until their passing in 2013.

Shirley was definitely the “favourite” Aunt of the Coons crowd. Always in attendance at family functions and known for keeping everyone laughing. She was a surrogate parent to many of her nieces and nephews and had some that spent summers working in Brockville or camping in the Long Sault area.

Of the many roles that Shirley had, being a mother was the one of which she was most proud. She raised her daughter, Frankey as a single-parent in the days when this was not common. Frankey’s father, Frank Sisty, of Florida/Cardinal, Ontario, predeceased her mother and was buried exactly 3 years to the date of Shirley’s passing. Karma?

Obituaries

Ferguson Funeral Home (The Valley Chapel) Ltd.

As a single mother, Frankey never wanted for anything that the other children had. When some older girls were caught bullying Frankey, mother Shirley saw them from a distance and went into action to ensure they would never come near her baby again. Shirley took on roles of test chairman with the Brockville Figure Skating Club and hand made beautiful skating costumes in which her daughter would perform.

Shirley spent 5 years living with Frankey in her new community of Clarksburg where she was able to be close to Sierra, Terra, and Fergie; pets played a very big role in Shirley's heart.

Shirley had many great friends and neighbours in Brockville and spent her later years travelling to Acapulco, Florida and other hot spots with her chums. As a neighbour, one of the classiest acts I had the pleasure to witness was when Shirley "pseudo-adopted" a local neighbour lad, whose family had limited means, and she became a hockey mom for the season. She paid for the team membership, equipment, drove the lad to and from practice, ensuring he had money in his pocket for a drink and snack after practice. When the lad invited her to the annual father son banquet, Shirley told the lad to take his mom, but was told that his mom didn't have any nice clothes to go to such an event. Mom gave his mother a dress and ensured she would be there to celebrate her lad's hockey success. Shirley was one of the most unselfish people you would ever meet.

If you asked Shirley if she had any regrets over the 91 years, she would likely say the only thing she would have liked to have done was to have received a high school diploma. Shirley was educated in a one-room schoolhouse in Winchester Springs and, due to financial constraints with families of the day, was only able to complete Grade 8. No one had a sharper mind, and better knowledge of how to save money and make a dollar stretch beyond its capacity, than Shirley. If opportunity had provided, she would have likely excelled in high school and even went on to achieve a post-secondary education. As the first generation in my immediate family, in her honour, I not only attended college, but I am a college professor, at Georgian College, Owen Sound.

Shirley's last years of health were not ideal. Upon suffering a stroke in mid 2015, her ability to live a full-life was diminished. She wasn't able to walk, she was blind and deaf and she had dementia. She was placed into the Georgian Heights Care Facility in Owen Sound where she lived out her days and had wonderful caring nurses, doctors, PSW's and staff by her side when she breathed her last breath.

A celebration of Shirley's life will take place Sunday, June 17 at the Brockville Royal Canadian Legion, downstairs lounge, from 12:00 p.m. until 4:00 p.m. Food and drinks will

be served. Please bring pictures and stories to celebrate our girl, and dress in the 4C's: casual, comfortable, cool, and colourful.

As you can see, Shirley had a wonderful life and no doubt you have heard bells, and dings, and gongs, because as they say in the movie, "every time a bell rings an angel gets its wings." Fly home mom, I'll see you in my dreams".

TUCKER, DEBORA 'DEB'

Deb Tucker died on November 23, 2017, quietly and on her own terms in Meaford, Ontario. Her husband, mum, youngest sister and a good friend at her side, Deb accepted the illness that had consumed her life, and moved into the next one.

Deb led a very colourful life. She's lived in many places across this beautiful country, but found her home and best life with her husband Jan in the quiet village of Rocklyn, Ontario. They lived in perfect (unlikely) unison in the home they built together where she spent every day until her final one, cared for always with much love and humour by Jan.

Deb left this world as the artist she always wanted to be. Her work was just like her – beautiful, quiet and inspired by our natural surroundings. She leaves behind a whole bunch of people that love her, and a wonderful life she created with the one who loves her most.

LOWE, CHRISTOPHER JOHN

It is with heavy hearts and great loss that the family of Christopher John Lowe announce his sudden passing on November 16, 2017 at the age of 37.

Chris was born in Meaford, Ontario on October 22, 1980. From childhood, Chris was well-liked. He is remembered with only fondness by all who met him.

Chris was, above all, the beloved husband of Rebecca (nee Garrah) and devoted Daddy to Payton and Julie. He was a family man, completely smitten with his girls, and a loyal son to his parents Bryan and Patty Lowe (nee Ramsay) and his parents-in-law Bob and Donna Garrah (nee Bailey). He was a caring big brother to his sister Jennifer and her husband Chris Potts; to his siblings-in-law Roxanne and Jerry Dunlap and Angela Garrah. To his nieces and nephews, he was an uncle they could and will always look up to.

Chris lived his life for others. He was a fierce friend always ready to stand up for those who couldn't stand up for themselves. He could be counted on to help with any kind of favour, and he would smile as he did it. He believed in community and taking care of his friends, neighbours and those in need. To Chris, his friends were the family he chose.

Chris was a dreamer, with a drive to be better everyday. He began his career as a volunteer firefighter for The Blue Mountains Fire Department, and worked in the public works department at Town of The Blue Mountains. He dedicated his time, passion and energy to training and eventually achieved his goal of becoming a full-time firefighter when he earned a position on Central York Fire Services. Inspired by his passion, courage and dedication, his fellow recruits named him valedictorian for their class. Chris was proud of his career in service - of his opportunity to protect communities. He was equally proud of his wife, Becky, as he stood by her side during her own recent graduation this October. He was her biggest fan, and was there to smile wide and cheer her on as she started her new career with a job at Royal Victoria Regional Health Centre and at Clarksburg Medical Group. Together, Chris and Becky were inspirational, as parents, as a couple, and as friends always there to listen, love and be the warmest of hosts.

Obituaries

Ferguson Funeral Home (The Valley Chapel) Ltd.

Chris was incredibly talented, and often worked to restore and repair boats for his friends. Of course, Chris always used his talents to help others and to bring joy to his wife and daughters.

His home was always open and his heart always warm.

Now, in this loss, there are many who come forward to claim Chris as their brother - because that's how he made them feel: close, loved, family. He inspired happiness and camaraderie in others.

Chris was one of the good guys: a gentleman, a kind-hearted soul, a best friend, a doting husband, a daughter's hero.

Losing Chris is a deep and tragic loss. His life was a bright shining light in his community and beyond. Though the days are dark now, we hold tight to the memory of our awesome Chris Lowe, and we count ourselves blessed to have shared 37 years with him.

Rest in peace, our beautiful Chris. We will always miss you.
